Briefly describe what you would use the NER resources for.

- By signing this form, you agree to **cite the following article** in any publication for which you would employ the Named Entity Recognition Resources in some form:

  Gökhan Akın Şeker and Gülşen Eryiğit. 2017. **Extending a CRF-based named entity recognition model for Turkish well formed text and user generated content of Turkish**. In Semantic Web Journal, doi: 10.3233/SW-170253

- The Named Entity Recognition Resources are licensed under Creative Commons (BY-NC-SA 4.0). By signing this form, you certify that you agree to **the terms of the license**.

  A brief summary of the terms is given below. For more information, please find the official license terms at https://creativecommons.org/licenses/by-nc-sa/4.0.

  You are free to:

  - **Share** — copy and redistribute the material in any medium or format
  - **Adapt** — remix, transform, and build upon the material

  Under the following terms:

  - **Attribution** — You must give *appropriate credit*, provide a link to the license, and *indicate if changes were made*. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.
  - **NonCommercial** — You may not use the material for *commercial purposes*.
  - **ShareAlike** — If you remix, transform, or build upon the material, you must distribute your contributions under the *same license* as the original.
  - **No additional restrictions** — You may not apply legal terms or *technological measures* that legally restrict others from doing anything the license permits.
